She admits that when she's a little tipsy, she likes to imagine that she's with Denzel and they're fucking on the French Riviera. Her man never complains.

A photograph of two women in a domestic setting. One woman with long red hair is sitting on a purple couch, wearing a black fishnet top and a black strapless bra. She is looking down at her lap. The other woman with dark hair is lying on her back on the same couch, wearing a black and white zebra-print bikini. She has her mouth open in an 'O' shape and is looking up. The background shows a stone fireplace and a wooden railing.

That was some great action.
What a great photo set and we
loved the video, too. Hot girls
fucking themselves and then
each other. Damn, we wish
that they were over at our

everyone and just kick back.

I love a good hard fuck. The best sex for me is getting banged hard from behind. I don't have to look at the guy so I can fantasize about anyone I want or just concentrate on my cumming. Plus it gives him a chance to stimulate my butt hole at the same time.

BOOTY BOOTY BOOTY EVERYWHERE

SHE WORKS HARD

Who knew? My neighbor Coral, likes sex, and it didn't take a genius to see her body was built for it. She also like to get loud when she was getting frisky and she knew the neighbors were calling in complaints to the landlord. Maybe if they'd had a boring husband, they would understand her needs better, but they didn't and Coral had just gotten her eviction notice, anyway. If she couldn't keep the noise down, she was gonna get kicked out.

Coral couldn't stand to lose her love pad. It was the only thing that kept her sane. Her man wasn't very exciting in the bedroom, so Coral regularly went out to find men who could satisfy her and brought them back to her pad. If she was kicked out, she'd probably have to find something else quick. I think she liked the rent and location here. Coral could only think of one way out of this mess, she had to get the landlord on her side.

Coral decided to call him up to the apartment, saying she wanted to explain things in person. Little did she know, she was going to let her luscious boobs and delicious holes do the talking. Coral didn't even strip down before she was sucking on his juicy

dong with her full red lips. When she was done with that, she climbed on him and clenched her pussy tight around his cock, pumping her puss and her round ass back at him. Turns out this horny tenant was an expert in

I have never taken advantage of Coral, or that is to say, she's never taken advantage of me. It's the neighborly thing NOT to do!

— Gary, in the Bronx

OH, SNAP

Treena had married young, almost too young, but she genuinely did like her husband. Yeah, he was older, but he treated her like a princess

My cock is a modest six inches, but it works for me, especially when it's headed into a butt hole. Many of the babes I butt fuck tell me that it's the perfect size. I think only porn stars can take the really big ones, so the normal babe likes mine!

— Saul, Buffalo

fucking. His moans of passion let her know she was doing things right. Coral twisted and bounced as if this was going to be her last fuck. If she didn't work hard enough, it just might be.

Success. She's won her pad back. Coral's once again on the prowl for new conquests to fill her empty hours. Now, good people,

and didn't let her lift a finger. She never expected to see pictures of him fucking the brains out of someone younger, and she definitely didn't expect that someone to be her best friend.

The pictures were on his laptop and she wasn't supposed to see them, but that's what happens when you walk away from your computer while you're still

logged in. She was about to pack her bags and move out when she had a much better idea.

Treena knew her husband had always been jealous of his successful best friend Marvin, and she also knew Marvin was always stared at her boobs and grabbed her ass whenever he came over. She could take pictures too, and hers were going to be way more explicit. She was going to print them out for her husband.

Last weekend Treena called Marvin over to help her fix the sink and when she opened the door she met him with the camera and sexy lingerie. In minutes, she was naked and sucking his cock as deep as she could. Working her tongue over his cock head, she made him scream and insisted she shoot them or she would tell. Marvin had to comply and she attacked him when her tight pussy was wet with lust. She was ready to pump his rock hard dick sore. The foxy temptress was begging for doggy style. She felt dirty and she liked it.

Marvin worked himself up to a climax and Treena jumped off to take his cock and swallow every last drop.

the walls around our bed. Watching ourselves added a whole new level of excitement to our sex life. I could see my wife suck my cock from every angle. I could watch her finger her brown eye while I drilled her tight snatch.

Seems like those rumba classes were turning my wife into a new woman. So I have no objection when she asked me to install a stripper pole in the back corner of our bedroom. In fact, I felt

like the luckiest man on this planet. By day my wife was the same conservative executive she'd always been. But come nighttime, she transformed into a vamp.

Over the weeks, her intimate wardrobe expanded tenfold and I was treated to elaborate role-playing: a Catholic schoolgirl, a cheerleader, a mistress with the cat-o-nine tails. Every performance brought a surprise. Then came the night we hosted a dinner party for two other couples to celebrate our tenth wedding anniversary.

Somehow the subject of exercising came up, and my wife started touting the benefits of her new workout. Well, once she men-

Treena looked at the photos she took and liked them a lot. She decided she had to keep them and actually start taking more. So Monday, while her husband was at work she told Marvin to come back over. At ten he showed up, cock ready to go. This time Treena had a surprise for him. Knowing how much he liked to do her doggy-style, she got in position, reached under and put his cock into her asshole. This was a shock to Marvin, but he quickly found a rhythm and fucked that booty until just before the husband came home.

A woman with dark hair tied back is posing in a room with large windows and a potted plant. She is wearing a black and red outfit with a red cross on the shoulder and black high-heeled boots. She is looking over her shoulder at the camera.

Alexis' mouth says she's addicted to the taste of cock and cum. Her pussy says it's addicted to licking and fingering. Her exotic looks say she's going to get whatever she's attracted to. If you like what you see, then fulfill your need for more of her by watching her fuck and suck and shake her booty.

tioned the pole in the bedroom, everyone had to see it. And once our four friends saw it, they clamored for a demonstration.

My jaw dropped when my wife said she'd be happy to oblige. With a wink in my direction, she slipped off her evening dress, explaining that it constrained her movements. Our friends smirked, eyebrows rose, but nobody made a move to stop her. When she was down to just a pair of black thigh-high boots and panties, she placed both hands on the bar and lifted her lithe body sideways on the pole.

Up and down, her body twined around that pole, defying gravity. It was breathtaking, and my wife was relishing the audience. For her last move, she went upside down, her back against the steel. Slowly she spread her legs, brought them over her head and flicked her tongue at our friends. By the time her feet hit the floor again, every man was hard every woman was damp. We were all still applauding when my little stripper dropped to her knees at my feet and started attacking my zipper.

I wasn't sure we wanted to go that far in front of friends, but

pulled back to spray the rest of my cum over her cheeks and chin for a full on sloppy facial. With white ropes of jizz dripping onto her breasts, she never look more beautiful to me.

The other hubbies soon climaxed, too. We enjoyed the views as Amber and Darryl slurped the spunk from my wife's face and taught boobs. Admittedly the evening ended a bit too soon. Our friends quickly straighten their clothes and left.

But from what I understand, the two other wives now have stripper poles in their own bedrooms, and Amber is planning a party for this weekend.

I secretly hope it turns into an orgy and we get an invitation. We've been wanting to try swinging but haven't had the opportunity yet. Besides, I'd love a chance at Amber's sexy mouth, and Darryl's sweet pussy!

— Damon, Memphis

when I saw Darryl and Amber unbuckling belts and tugging on zippers, baring their hubbies packages, I figured, what the heck, and let her proceed.

Grabbing the back of my wife's head, I pressed my throbbing rod between her lips as I checked out the action around us. I soon discovered that Darryl possessed incredible deep throating skills, and Amber liked to teabag and rim. Us men stood there groaning and grinning, able to see absolutely everything in the mirrors. I watched as my wife played with her pussy with one hand while she massaged my balls with the other.

I tried to hold off cumming but I was the first to blast. The instant my wife tasted my cum, she

jasmine & aliana

Jasmine and Aliana have been best friends for years. They met in high school, got married in the same month, and now live next door to each other. Everything was great until their husbands decided that business and money were more important than their sexy ladies. The kinky duo was horny and alone, and both girls were aching for a good banging. They soon started messing around together.

They had always fantasized about sharing a big dick and when their hunky mailman came to the door, he was met by two very sexy and cock-hungry girls. They had gone without real dick for too long. PLEASURES OF THE CARIBBEAN

Soon after my new girlfriend discovered this new health club on the internet, she kept insisting that we go. It was in the Virgin Islands in the Caribbean and when I got a week off, we headed down there. This place was a little different than the typical health club or spa their website said. Personal care, exotic massage oils, and intense aroma therapy, all wrapped around a unique thermal spa and a special section that is clothing optional.

We arrived at ten in the morning and were whisked away by their limo and within the hour we had checked in and settling into our cabana. There were no rooms, only oversized cabanas that had nice, but typical Carib decor. Our first appointment was at noon, so we grabbed our papaya smoothies and headed to the massage cabana. It was a large tent-like structure with curtains

between the 'rooms.' There were options for single and couples massage and you had a choice of masseurs: men, women or two at once, one or both sexes.

Kassandra chose a woman masseuse this first time and I chose a man. We were scheduled for the next at six pm so we wanted to play it comfortable at the start. After our first one, we went for facials, manicures and pedicures and that pretty much ate up the afternoon. After a healthy meal of veggies and legumes, we headed back for the evening massage. This time

I chose a woman, Lolly, and Kassandra's was a man Julio. I teased her about Julio because he looked like a body builder saying he must have done a lot of rub downs instead of push ups. I'd glance over at them and a few times, I saw his hands all over her boobs and butt, but she assured me that he was very professional. The only complaint is that the sessions were too short, just 35 mintes. All sessions were 35 minutes because they want you to taste the other luxuries of the club.

Kassandra told me she wanted longer massage sessions and I said she should ask him if he made house calls. He said he did work outside the club, but only in the evening at his house. He said he wouldn't charge her for the first one if she came back the rest of the evening during our stay. I told her that I didn't mind because we were here to make her happy. Kassandra thought about this for a while and took him up on his offer.

The rest of the story is from her perspective because I didn't go with her. Kassandra took an island cab from the health club to his house. He lived about a mile away in a gated neighborhood. She got there a few minutes before 5 pm and he greeted her at the door wearing his usual black T-shirt and pants. He was still pretty friendly and very professional. Kassandra followed him and was lead to his back screened in patio. Large tropical plants surrounded each side hiding a six-foot fence. Kassandra found his set up very erotic when she discovered his massage table outside on the patio. He said it was very private here and he enjoyed the natural warmth of the outdoors. Maybe

he saw a bit of hesitation on her part. He reached over and rested one of his strong hands on her shoulder and started a gentle rubbing. She looked into his soothing dark eyes and felt compelled to follow his instructions. He asked her to get undressed and pointed to the table, leaving her alone to get her a drink.

Kassandra was getting a weird feeling as she removed her clothes. The table had a fresh sheet on it but no towel was around. She just expected to find some towels like at the health club, instead she was standing naked by her discarded clothes. Back at the club, a few times she heard him gasp as she turned over exposing her 34DD breasts and trimmed pussy. So she figured what the hell. No sense in stopping now. She crawled onto the table and onto her stomach to wait for him.

Julio soon appeared with her drink and a pile of towels. He smiled and apologized for not having them out sooner. She told me she found his Carib laugh sexy and liked the naughty idea of being completely exposed to this very good-looking man. Julio handed her a drink and complemented her on her round ass. Stepping over to the table he patted her butt softly. He quickly poured a generous amount of warm oil all over her soft skin. Kassandra felt the oil puddle in the small of her back.

His hands soon started gently spreading the oil. His hands guided it up to her shoulders and swiftly back down over her ass, thighs and legs. He oiled up her feet and her entire body with a coating of the warm potion. She rested her face through the table's opening and enjoyed the sensation of his very strong hands covering her body. She was not use to being so well coated with oil. When at the club's tables, she was often covered with a towel over her ass, which blocked the warm fluid

that now ran slowly between her legs. She opened her legs a bit so the warm fluid would not just sit in the crack of her ass.

He was doing her hands and pulling her arms gently from her body. The cool island breeze tickled her exposed breasts. He seemed to be paying more attention to her large breasts. An evil thought popped into her head and Kassandra leaned up to reach for her drink. Watching him swallow hard as her round tits stood out was worth the maneuver. She tilted her head back and took a long drink. He stood watching her boobs sway in their heaviness. A few drops ran down her throat and along her right breast. She enjoyed the show she put on just to see his reaction.

Julio walked down to the foot of the table and he removed his shirt saying it was pretty warm tonight. Then he started working on the bottom of her feet and her toes. He lifted her calf and flexed her leg. He did some deep tissue work on the calf and was slowly pulling her leg gently. She felt him straighten her leg and then holding her leg straight, he rotated her hip joint very slowly. As she rested her face through the table hole she felt her pussy becoming quite moist as it opened up and felt the cool evening air play against her outer lips.

He left her leg spread as he lifted the opposite one. After doing the same hip rotations, she felt her legs spread out quite far with her privates fully exposed. He then went to her feet and was using a very light touch, which always made her excited. The sensations of hot oil, cool breeze, sexy strong hands were too much for her. She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved. He ran his hands back down and now she was sure it was an intentional little feel on his part. His fingers boldly touched her swelling pussy lips and lingered for a moment, long enough to cause a gasp from her.

He leaned close to her ear and in his accented voice asked if everything was OK? Cassandra moaned a low reply that he was doing just fine. Her breathing was heavy and it was like he was testing her reaction to his touching her pussy. He seemed to have passed the test. His fingers now played along the top of her spine. Slowly he pulled his hand down her spine to the center of her back. As one hand would run down her spine and stop, another would begin at the top and start down again. Applying pressure along her spine, he reached further and further down toward her ass.

She was wondering how far he would go when she felt his fingertips press along her ass crack. While one hand was slowly moving in her perfect heart shaped ass the other hand was working that way to replace it. His fingers found her tight pucker and she cooed as he gently ran a finger along her anus. She felt his thumb apply direct pressure on her hole, firm pressure but he did not push it in her ass. He kept his thumb pushed against her as his other hand graced her spine sending shivers along her nervous system.

Kassandra was confused, not only by his actions, but by her feelings. Surprisingly, she felt warm fluid run down her butt crack. His fingers rubbed it into her crack more vigorously than before, This hands gently pried her butt cheeks open and she felt a small penetration of her tightest orifice. She quickly thought of me, she said, and how I took my time playing with her butt hole before fucking it. Julio was not going to actually fuck it, but perhaps a finger or two would be okay with her.

Sensing little resistance, and an invitation to go further, Kassandra raised her hips slightly and that was all Julio needed. He pushed a finger a little further in until it

was to the first knuckle. By moving her hips higher, it forced his finger deeper into her anus, and she liked it. Feeling bolder, Julio pushed his well oiled finger in to the second knuckle and a moment later it all was in. He now, pulled and pushed it in her butt. She moaned in time with his action as he increased his speed finger fucking her butt hole.

Kassandra thought to herself that now was the time to get on her knees, so she slowly pulled her knees up forcing her ass higher into the air and naturally pulling her butt cheeks further apart. Julio pulls his finger out and puts both hands on her butt cheeks and rubs them with intent. Pulling them through her butt crack, he lingers at her anus and then gently inserts two fingers in it. Kassandra accepts them and pushes back. Julio pumps them in and out and suddenly it's three fingers.

Folding his finger together, they push her sphincter wider and wider. It accepts the challenge and offers its pleasure to her. After a few minutes, Julio had established a rhythm that she liked. Moaning and whispering that she liked that, he reached under her with his other hand and found her clit. Kassandra flinched as his fingers rubbed it and found the right pressure to put on it. Now she was being pushed, or rubbed, over the edge. Julio leans down and whispers for her not to hold back. Let her feeling go. Let his hands and finger take her to nirvana. She does let go with long low moan that tightened her muscles and released her juices.

Just so you know, I was back at the club while she visited Julio. I had my own little affairs with Lolly and two of the other masseuses. While I did not butt fuck any of them, I must say that they do give the best happy endings. When Kassandra came back to our cabana at night, we would talk about our experiences. We decided we liked it and would be back. After all, that's what makes this club so special — and healthy.

When we saw these pictures of Brooke, we got a crazy feeling deep down in the center of our laptops. Yeah, with her tight butt up in the air, we immediately pictured ourselves running up behind her, ripping that red panty off, and shoving tongues into her hot, moist inferno. Then we found more photos and saw Johnny already beat us to it.

Beauty worked as a make up artist in a major department store at the local mall where we discovered her. It wasn't her make up skills that interested us. No, it was her ample posterior. She would wear yoga pants to work that highly accented that marvelous behind. It took many months to convince her to share it with us.

A photograph of a woman with dark hair, wearing a white fishnet top and large hoop earrings, sitting on a tan leather couch. She has a large, colorful tattoo on her right arm and is wearing a silver watch. Her hands are resting on her thighs, which are spread apart. The background is a plain wall.

Okay guys, we know you saw my shiny ass spread out all over these pages. What you can't see is how I use it on this guy's cock. It's too fine to describe here. So go online right now, I mean this very minute, and check it out. I promise you won't be disappointed just as I promised that horny director.
